

Notice to Citizens / Business Owners:
Town of Wise, Virginia

The Wise Police Department and The Town of Wise, in efforts to better communicate emergency type situations to the businesses and citizens of our community, would like to introduce you to www.nixle.com Nixle.com is a free service that allows you to receive trusted, up-to-the-minute neighborhood information for where you live, work and visit. Nixle.com is a secure site that is a community based information service provider built exclusively to provide secure and reliable communications. It is the first authenticated and secure service that connects municipal agencies and community organizations to residents in real time, delivering information to geographically targeted consumers over their cell phones (via text messages), through e-mails and via web access.

Nixle.com allows citizens of the community to sign up free of charge, with the citizen only having to provide some basic information, to include how they would like to receive the information, either by text or email. The alerts are also free to receive once you are signed up, although standard text messaging rates may apply. This is an opportunity for us here at the Wise Police Department and the Town of Wise to utilize this certified and secure communication platform to connect with the residents of our community, and keep you informed of events that are ongoing in our area, whether it is an emergency situation, or a routine public service announcement. If you have any questions, please feel free to call. We would welcome the opportunity to be of service.
